June 13th -16th Science

\$100

The children will be exploring space, dinosaurs and the ocean in this activity filled week. Dramatic Play will transform into a science lab with science experiments. We will make super bouncy balls, and oceans in a bottle.

June 20th-23th Cooking

\$100

Banana Bread, Pizza, smoothies will round out this week. A restaurant will be in dramatic play and the children will help prep and cook their own snacks.

June 27th- 30th Creative Arts

\$100

Papier Mache, clay sculpting, painting and more! We will get creative with all the arts as we set up dramatic play with a theater and puppet show!
